

To Our Valued Patients:

We hope this message finds you well.

We are happy to report that our office is now open again Monday-Friday 9:00 am to 4:30 pm.

Please note: We are open by appointment ONLY. We are limiting the number of patients who enter the building. We are practicing safe infection control measures to keep you and our staff safe. All patient areas are disinfected between each visit. In addition, we cannot have patients overlap in the waiting room.

We continue to provide CURBSIDE care for most of our patients, including anyone without an appointment. But, we need you to CALL FIRST!

If you need hearing aid care, please call us! Park behind the office in the garage driveways. We will come out and get your aids in a Dixie cup and then return them to you cleaned and ready to go!

*You can pick up hearing aid batteries, filters and supplies CURBSIDE. Call first!

* Please do not enter the office building.

*Feel free to call us and we will do all we can to help you over the phone!

We are here for you whenever you need assistance with your hearing health.
